For Your Information

February 2024 Edition

Lead Service Line Inventory

A questionnaire is included with your utility bill this month. Please take time to complete the questionnaire and return it to City Hall. If you have any questions, please call Gary @515-297-4452. If you need an additional copy for multiple locations, please contact City Hall or photocopy your original questionnaire. It is very important that we get each water service in Duncombe inventoried and your cooperation is greatly appreciated.

Water Meters

Please be sure to keep, dogs, snow and other debris away from your water meter readout on the outside of your home. Public Works needs an unobstructed path and access to the meter readouts in order to read meters every month. Thank you for your cooperation!

2024 Pet Licenses Available

If you own a dog or a cat, you are **REQUIRED** to license them with the city. You must provide proof of current rabies vaccination (not to expire before June 30) along with \$2 for each license. Pet licenses are valid from January 1st to December 31st each year and are required for ALL cats & dogs. **2024 licenses are now available at City Hall.** If you can not come into City Hall, please mail or drop off the **rabies vaccination certificate (not an invoice for veterinary services) for each animal along with \$2 per license.** The license will be issued and mailed back to you along with your original vaccination certificates. If you do not have a copy of the vaccination certificate, contact your veterinarian for a copy. **No licenses will be issued if the vaccination certificate does not accompany the payment.** **DO NOT** add the cost of the licenses to your water bill payment. Please call City Hall for more details.
